13U-18U TEAM EVENTS

ABOUT US

NET Elite Baseball was designed to help provide meaningful experiences, competition, and training for student athletes. Our goal is to grow with the community and help give kids the best chance to play baseball in front of colleges, scouts, and other teams they wouldn't normally compete against.

NET Elite was founded by former professional baseball player, Wesley Jones. Wesley launched the company in 2014, and has since grown the company from 200 teams a year to 2,200 teams a year. NET Elite offers tournaments to youth ages 7U-18U, which are open to any affiliated or non-affiliated summer teams. All Youth Tournaments are held at the best local facilities, and Showcase Events are held at college and university facilities, minor-league stadiums, and high school fields.
